

Hampton Inn & Suites Hotel

KANSAS CITY, MO

The new Hampton Inn & Suites is an 8-story, 140 room hotel located in the Crossroads Arts District of Kansas City, MO. The hotel is yet another addition to growing development in the vibrant district and sits along Kansas City's new streetcar line on 16th & Main.

The project is within minutes of Kansas City's cultural attractions such as the Power & Light Entertainment District, the Sprint Center, the Kauffman Performing Arts Center, and the Kansas City Convention Center.

What We Did

Taliaferro & Browne provided civil engineering services including site demolition, site grading, site layout, utility design, as-built drawings and coordination, water service line design, storm & sanitary sewer service lines, streetscape within public right of way, and cost estimation.
